

## Mini Scenarios Part 2

**Overview:** Pastor Joshua has lived successfully for 45 years without the need for doctors and medicines by maintaining a daily strong spiritual warfare, which has enabled him to live a victorious virtuous lifestyle. These Mini Scenarios will help you to accomplish the same thing in your life. Mini Scenarios are particularly important when you do not have the time to do the complete Daily Scenarios because they help you to get your Spiritual Warfare done quickly but efficiently. Doing Mini Scenarios is waging Strategic Warfare with the demons. When the devil attacks you, he is choosing how, where and when he is attacking; and he is trying to control the circumstances and conditions.

Strategic Warfare means you are no longer in a defensive mode, but you are confronting the challenge head-on in an offensive mode using a winning strategy. You are now in control, not the devil; and you are choosing your own time and location. You are actually making a daily schedule of appointment times with yourself to wage spiritual warfare against the devil employing carefully selected weapons from your spiritual arsenal. In general, one of your weapons of choice will be doing specific affirmations which are quick, precise laser attacks against the devil and his challenges. Mini Scenarios integrate all these weapons into a massive synergistic release of the anointing of God against the enemy.

### Review of Mini Scenarios Part 1 - Foundational Mini Scenarios

The Foundational Mini Scenarios help to create a lifestyle with the conditions necessary to support the general use of Mini Scenarios. These scenarios are considered foundational because they are grounded on the promise made by God that He will rebuke the devourer from the tither and that which pertains to the tither. The tither's affirmation of this basic but extremely power promise of God is augmented by other affirmations on health and healing and also by the power of Love, Forgiveness and Communion. (The Mini Scenarios Lesson was taught by Pastor Joshua as HS1M15 on 03-03-2019.)

1. How do you Tithe a tenth of your income to break curses in your life?
  - a) Tithe regularly, but confess your sins before giving tithes Lev 27:30, Deut 26:13-14 AMPC because the tithes are holy.
  - b) Tithing Prayer for when you give your tithes. Deut 26:14-15  
"Heavenly Father, in the Name of Jesus, I am reminding You of Your Promise to bless me in this land of Milk and Honey and I give you my Tithes and Offerings as an Act of Worship and Thanksgiving".
  - c) Tithing Affirmation for your daily Foundational Mini Scenarios.  
"In the Name of Jesus, God has rebuked the devourer from me, my body, my family, my finances, my crops and my pets." OR  
"In the Name of Jesus, because I am a tither, God has opened the Windows of Heaven and continues to flood me with blessings and He has rebuked the devourer from me, my family and all that pertains to me."  
**Note:** ABC suggests that you do the Foundational Mini Scenarios once per day using this Tithing Affirmation. Target 10 minutes for the entire scenario.
2. Confess sins persistently, consistently and frequently. 1 John 1:9, Rom 6:23, Joh 8:31
3. Forgive others and forgive yourself. Mark 11:23-26  
Be a loving, forgiving person; walk in the Fruit of the Holy Spirit.
4. Do Affirmations for healing and health.
5. Receive Communion at least 1 time (1x) every day, 1 Cor 11:23-26  
and more frequently during the days of challenges.

## A. Types and Purposes of Scenarios

### Tactical Warfare Response (Non-scenario Warfare)

When a believer is under a full blown **acute** attack by the enemy (e.g. severe pain, difficulty in breathing or anything that requires immediate attention), it is best to respond in a tactical manner. Be led by the Holy Spirit as you respond with a massive use of one or more of the following: the Sword of the Spirit, which is the Word of God used as Affirmations, the Name of Jesus, the Blood of Jesus and the Communion Table. For example, confess your sins and affirm, “I have been healed from pain by the stripes of Jesus.” until the pain leaves.

### Strategic Warfare Response (Scenario Warfare)

When you have time to act strategically, (i.e., time to respond **not** to a current acute problem but to build your anointing to draw closer to Jesus), then you can do the Scenarios, which prepare you for future miraculous victories. **Praying each step together has an explosive synergistic effect, because jointly they form a mighty weapon which defeats the attacks of the enemy and causes you to overcome all challenges.** The power of doing them all together far exceeds the total power of doing them separately at different times throughout the day. Therefore, endeavor not to skip a step and do all the steps together in the same session regardless of the sequence.

#### 1. Foundation Scenario (Taught in Semester 1)

The individual items in this scenario are already a part of the serious Believer’s lifestyle. It is recommended that you spent 10 minutes to pray the following steps together once per day.

- 1) Confess sins.
- 2) Forgive and bless all who have offended you.
- 3) Declare the “Windows of Heaven Blessing” Prayer over yourself and family.
- 4) Communion.
- 5) Affirmations.

#### 2. Mini Scenario are for:

- 1) Believers who **do not** have a lot of time in their schedule to dedicate to Spiritual Warfare.
- 2) Believers who have serious and/or painful challenges but which are not life-threatening.
- 3) Believers who received a doctor’s diagnosis that he/she only has 3+ months to live.
- 4) Believers who are responding to specific challenges by modifying the scenario steps.

#### 3. Daily Scenario (aka Faith Scenario) are for:

- 1) Believers who received a doctor’s diagnosis that he/she has fewer than 3 months to live.
- 2) Believers who are committed to receiving their healing from God through prayer.
- 3) Believers who are prepared to spend 8 – 12 hours per day in prayer.
- 4) Very serious believers who have no life threatening challenges but are determined to become more conformed to the image of Jesus Christ.

**Note:** Daily Scenarios will be taught in an upcoming module in Semester 2.

## B. Why is Important to Do Mini Scenarios?

1. Keeps you protected because it is Spiritual Warfare against the attacks of the devil.
2. Keeps you in the KOG.
3. Keeps the anointing strong to break yokes of bondage.
4. Keeps you operating in the Mind of Christ to hear the Holy Spirit’s voice clearly.
5. Keeps you from having too long of a gap since the last time you prayed, so the devil cannot sneak in without your realizing it.

6. Keeps you in a Prayer of Agreement, especially if a spouse or loved one is challenged and unable to speak much due to any challenge, including weakness, pain or incoherence.
7. Keeps you in a mode of Intercession for your spouse or loved one if they are unable to pray for him/herself due to challenges of sickness, memory loss, too occupied with work shifts, etc.
8. Keeps you moving from a holy place into the Holy of Holies.

### C. How to Do Mini Scenarios Effectively

1. Confess sins – Almost always, you will be praying, “Lord, I am not aware of any sins (*optional: since the last time I confessed*), please cleanse me of all unrighteousness”.  
It is assumed that you are confessing known sins as soon as you commit them. Similarly, to save time, you do not have to Repent, Renounce and Break or Re-Establish the Kingdom of God (KOG) because the assumption is that you are already doing this during the course of your day (e.g. in your morning or evening prayers or when you confess known sins).  
If the assumptions are not true for you on that day, you need to add: CRRB & Establish the KOG.
2. Worship.
3. Tongues – pray for a short time (*even for a few seconds*) per Mini Scenario.  
(In addition to that, at another time during the day, ABC recommends that you pray in Tongues for 1 hour minimum all in one session. This will edify, build up, your spirit.)
4. Affirmations.
5. Communion.

### D. Different Versions of Doing Mini Scenarios (Modify or Customize it to fit your own needs)

Mini Scenarios  
Homework Assignments

- 1 Create a Mini Scenario for yourself. Decide how much time you want to spend on the scenario.
- 2 You may stress the use of the Sword of the Spirit in warring by assigning more time on the Affirmation(s), which you chose. However, you may chose to draw closer to God by focusing your time on one or all of the other 4 items. In this approach, you war by releasing more of the anointing.
- 3 If your Mini Scenario is longer than 10 minutes, choose an appropriate time of the day to do the Mini Scenario. Do it at the same time every day for 2 weeks.
- 4 If your Mini Scenario is less than 10 minutes, choose appropriate times of the day to spend doing the Mini Scenario so that your total time for all scenarios exceeds 10 minutes. As best as you can, do them at the same time every day for 2 weeks.
- 5 At the end of each period of 7 days, compare yourself, spiritually, emotionally and physically, with how you were at the beginning of the 7 days. Incorporate the scenario process into your lifestyle.
