Smith Wigglesworth - “Fill your head and your heart with the Scriptures. Memorize passages from the Word with the name of the book, the chapter, and the verse. You must so soak with the Word of God, you must be so filled with it, that you yourself are a living epistle, known and read by all men. Believers are strong only as the Word of God abides in them. Know your Book, live it, believe it and obey it. Hide God’s Word in your heart. It will save your soul, quicken your body and illumine your mind. The Word of God is full and final, infallible, reliable, and up-to-date, and our attitude toward it must be one of unquestioned obedience.”
