

Announcing the Public Ministry of ABC

This is a group message sent to a selected people who used to attend ABC.

Greetings from ABC Church,
Sarah (Phyllis) and I (Joshua Trevor) miss you all so very much. We may have been out of touch physically but not in our memories for you have been often in our minds and DAILY in our prayers. We trust that this email finds you in good health and prosperity.

A lot has changed over the years including, as you can see, our names. That by itself is a very wonderful but long story. No time to tell it here but it is connected to the purpose of this email. For those of you who left, you were never here long enough to learn of the primary God-given purpose of ABC, which is our End Time ministry.

Many of you know us primarily as a healing ministry or a cleansing ministry but the fact is that those ministries have all been simply tools, steppingstones, to our real calling. In 1996, God told me to teach His people how to be alive and remain until Jesus returns. Since then, ABC was converted from a church with multiple assemblies into an internet-based church with 9 1/2 years of formal schools, ranging from our Bible School to our Book of Revelation School; plus over 2000 unique sermons and lessons.

Jesus said that no man knows the hour or the day of His return. I certainly do not know either one but I do know the year. Jesus told His disciples that it was not for them to know the season and it was certainly not, for since then, they have been long gone. However, in 1983, the Lord told me that He would be returning in 2028. Why would He do that? God said, "The former things have passed away. Behold, I do a new thing; before they come to pass. I will tell you."

Hab 2:14 states that the knowledge of the Glory of the Lord shall fill the earth. Today, knowledge in every area of mammon has abounded and is continuing to abound. Just common sense should tell you that the increase of His government and of the knowledge of His Kingdom should increase faster than that of mankind; and yes, it certainly has increased faster and is continuing to be revealed at an ever increasingly faster pace.

In 2016, I taught at ABC on the Year of the Return of Jesus, giving 2 sets of Scriptures, corroborating what Jesus had told me. That video is now available on YouTube. The link is https://youtu.be/wUjRb_oTby0 An African Pentecostal Bishop with a Master's degree in Engineering and a Doctorate in Theology watched it twice. His comments were, "This is the best teaching on the Return of Jesus that I have ever heard. It is well documented with Scriptures; and everybody in the world should see it."

On the 8th day of the 8th month, we will be kicking off the public phase of our ABC ministry. As you all know, 8 is the number of new beginnings. It has taken 25 years for us to get here. Our New Beginnings will be initiated with Pastora Sarah taking the Sunday Service at 10 am PST to teach on "Plagues and Prophecies."

We are, therefore, inviting you to participate with us by Zoom or YouTube. If you cannot watch it live at 10 am PST on August 8th, you may see it on-demand on YouTube or on one of our semi-public sites, abcbms.org. This lesson, on-demand, should be permanently available on them by 10 am Monday 9th. For directions, see the postscript below.

Additionally, during the service on the 8th, we will be announcing a number of chained web-sites. These are sites, each focused on a specific topic with each site pointing to the next topic in a path intended to teach strong believers how to prepare for the increasingly dangerous challenges upon the world as we move towards the return of Jesus. For example, in 2020, ABC had been forewarned and therefore forearmed, not just spiritually and emotionally but with PPEs because God had told us that the pandemic was coming.

Bottom line is that all the blessings of God come to you and me through grace by our faith. 2 Peter 1:2 states that grace and peace are multiplied to you through the knowledge of God and Jesus Christ. These sites have been designed by the Holy Spirit to help people grow into more and more of the wonders and blessings of God, which are available to us between now and when Jesus returns. The primary purpose of this personal growth is so we can learn how to help to prepare the way for the Return of our King of kings.

Be blessed,
Pastor Joshua Trevor
