

THE EL SHADDAI CONTRACT WITH GOD

Dear Heavenly Father,

I (we) come to You boldly, in the Name of Jesus, to obtain mercy and find grace to help in the time of need. Thank You, God, for promising to supply all **my** (our) needs according to Your riches in Glory by Christ Jesus, as it says in Philippians 4:19. You have made **me** (us) self-sufficient in You and abounding to every good work, according to 2 Corinthians 9:8, for I (we) have a New and Everlasting Covenant with You.

In the Name of Jesus, I (we) believe that Your Word is true. I (we) ask You to provide the amount of money I (we) need to withdraw in the amount of \$_____ from **my** (our) Divine Account from the Bank of Heaven, for this month of _____ of _____(year).

I (We) thank You, Lord, El Shaddai, God Almighty for also being **my** (our) Jehovah Jireh, **my** (our) Divine Provider, who supernaturally gives **me** (us) divine funds and divine provision.

I (We) will also withdraw additional funds and provisions at any time the need arises to cover any items which may be over the amount requested above. I (we) believe that I (we) have already received all the needed funds and provisions when I (we) asked for them as it says in Mark 11:24. These benefits are based on all the scriptures mentioned in this El Shaddai Contract.

Thank You, Lord, that Your Word promises to continually bless **me** (us) in **my** (our) storehouse (savings account/s) and **my** (our) basket (checking account/s), according to Deuteronomy 28:5; Deuteronomy 28:12; and Proverbs 3:10. This also means that **my** (our) barns (cupboards/storage areas) would be filled with plenty; and God blesses all the works of **my** (our) hands as well. Furthermore, Proverbs 13:22 says that a good person should have a heritage to pass on to his/her grandchildren. In obedience to Your Word, I (we) **am** (are) building up **my** (our) net worth. I (We) thank You that abundant wealth and riches are always in **my** (our) home, as it says in Psalm 112:3.

I (We) thank You, Heavenly Father, that Jesus paid the price that I (we) may live today, every day and every year in Jubilee, debt free. Thank You, Lord, for bestowing to me (us) your prosperity. Amen!

Lovingly Yours in Christ Jesus,
