MIRACLES and BLESSINGS

DIFFERENCES BETWEEN MIRACLES and BLESSINGS

	MIRACLES	BLESSINGS
1.	Come at crisis time. Occupied with self. (ex: car challenges, pantry empty, physical challenges).	Designed to keep you out of crises. Can be occupied with others. (ex: plane emergency---oxygen mask on self 1 st to help others).
2.	Come in small numbers. Just enough for the need. (Ex: manna).	Can come in abundance. (Ex: bread without scarceness, enough to give away).
3.	Can come in time of unbelief and doubt. Sinners and baby Christians get miracles as signs and wonders. Screaming need + a compassionate God.	Demand responsibility, obedience, and faith: We must partner with God!
4.	Counteract natural law. (Ex: natural law suspended to drop bread from Heaven--- Manna, Angel Food.	Cooperate with natural law. (Ex: naturally grown fruit and vegetables).
5.	God works FOR you. Temporary.	God works WITH you. Eternal.
