

More Reasons for Affirming the Word

Overview: The most important thing you can do is to speak the Word of God. You were born again by speaking the Word. You are justified by the words of your mouth. Jesus said only what the Father said and that should be our example. When you partner with God, when you seize His Word in your heart and when it comes out of your mouth, then you become a walking blessing to this world.

A. The Word Spoken out of Your Heart is Supercharged
