1. Scenarios Descriptions

Peter stayed home from work to concentrate on doing his Faith Action Plan. He had been doing healing affirmations all day. It had been hard work and he was grateful for the four interruptions from caring friends. He told them all the same thing, "Well, I am in great pain and nauseous but I am a man of faith and I know that Jesus is going to heal me."

Bill had not done any affirmations all day. It was almost 5 pm, time to go home from work. Despite the severe physical challenges, he had gone into the office and did his work so well that nobody realized that he was in great pain. Before leaving work to go to mid-week service, he made the time to spend 5 minutes affirming, "I have been healed by the stripes of Jesus."
