

Taking Off the Limits

Overview: God is our El Shaddai; the God who is more than enough. Through Jesus He has given us everything that we need to be what He has called us to be as His children. We limit His ability to work in us and through us by our unbelief. It is time to take off the limits. When we know who we are in Christ and the authority we have in Christ we can and will accomplish the destiny He has for us and for His church.
