

## Manifestations of the Anointing

**Definition:** The Anointing is the presence of God, manifested for a specific purpose.

**Scope:** This outline and lesson do not cover the anointing of the Holy Spirit as it manifests the promises of God embodied in the Names of God. For example, Healing Anointing is excluded even though its manifestation occurs as people call upon the Name of the Lord as Jehovah Rapha i.e., the God who Heals you.

- A. Manifestations of Nature in the O.T.  
Fire, cloud, thunder, lightning, hail, and brimstone.
